Dt.11-3-2010

Read the following:

1. G.O. Ms. No. 268, Finance (Admn.III) Department dt. 27-10-2007.
2. Lr. No. A2/5440/2003, dt. 11-9-2009 from the D.T.A., A.P., Hyderabad
3. Minutes of the meeting held on 10-8-2009 in the Chambers of the then Secy. (FP), Finance Dept. on the demands of the A.P. Treasury Service Association, Hyderabad.

O R D E R:

In the Government Order 1st read above, orders were issued prescribing the Certificate courses in computers for appointment to the posts of Junior Accountants and Senior Accountants in all branches of A.P. T & A Service by direct recruitment as well as by promotion and by transfer substituting the existing qualification i.e., Typewriting Higher Grade in English

2. The A.P. Treasury Service Association, Hyderabad brought to the notice of the Government that

- i) Earlier there was no technical qualification i.e., either Typewriting or computer for promotion to the categories of Junior Accountants/Senior accountants from the feeder categories i.e., Shroff/Attender and from Junior Accountants respectively.
- ii) In the G.O. 1st read above, orders were issued not only prescribing computer qualification but also linked up to the promotions in the category of Junior accountants/Senior accountants for in-service personnel.. Since, the prescribed time limit of 18 months has been over, the appointing authorities are going to revert the Treasury employees in various districts and requested to not to revert anybody for not acquiring the computer qualifications.
- iii) The computer course cost is very high upto Rs.40,000/- and only 5 recognized Training centers are existing in the State.
- iv) Further certain computer courses prescribed are not at all relevant to the day to day administration of the Treasury Department and not required for the Treasury personnel in their day today functions to be performed
- v) Therefore the Association has requested to remove the certificate courses in computers for appointment to the posts of Junior Accountants/Senior Accountants by the method of promotion or by transfer as prescribed in the G.O. 1st read above and to work out alternative method for training up the Treasury personnel.

3. In the reference 2nd read above the D.T.A., Hyderabad has also proposed for deletion of the computer qualifications for promotion to the categories of J.As./S.As. from their feeder categories.

4. Government have examined the request of the Association in detail and observed that the training institutions imparting such computer courses are available only at District Headquarters and the employees working at Sub-Treasuries in remote areas have facing acute problems for acquiring computer qualifications by applying leave and to bear the expenditure from their meager salaries. Thus, it is felt to remove the qualification of Computer Certificate Courses for the appointment to the post of Junior Accountant/Senior Accountant **by promotion** as earlier neither the Typewriting nor Computer qualifications were prescribed to the said posts for appointment by promotion from the feeder categories. Further the contents of computer courses prescribed vide G.O. 1st read above is not at all relevant to the day today administration of the Treasuries and also is on high side.

5. After careful examination, Government hereby order to remove the qualification of Computer Certificate Courses for the appointment to the post of Junior Accountant/Senior Accountant **by promotion** or by transfer from the feeder categories. They will be imparted **the computer training along with the induction training programme at Dr. MCRHRD Institute by formulating the required computer course and departmental computer packages for which orders will be issued in due course.**
